Call for Posters

Title of Poster:	**Conference Topic(s):**
Presenter Name(s):	**Organization(s):**
Postal Address:	**Phone:**
Postal/Zip Code – City:	**Email:**
Country:	**URL:**

Participants who seek to present a poster during GL20 are invited to submit an English abstract between 250-300 words. The abstract should describe the project and/or related information product or service. The abstract should likewise include a title, name(s) of the presenter(s) and their full address information. Abstracts are an important source of information available prior to the conference that is accessible to both the delegates and conference participants.

Related Topics

- ☐ **Long Tail Research Data and Grey Literature**
- ☐ **Metadata on the Frontline of Research**
- ☐ **Data Management and the Role of Librarians**
- ☐ **Current Research Trends in Grey Literature**
- ☐ **Research Data and Open Access Compliance**
- ☐ **Data Policies Reflect the Political Will of Organizations**
- ☐ **Other related topic:**

Due Date, Format, and Poster Prize 2018

Timely registration is a guarantee of your placement on the conference program. The conference venue is able to accommodate a limited number of physical posters (*20 inches x 30 inches / 50,8 cm x 76.2 cm*), which will be mounted on foam board.

Abstracts in MSWord should be emailed to conference@textrelease.com on or before **October 30th 2018**. Those submitting poster abstracts will receive verification upon receipt and this will be accompanied by further guidelines for posters, submission of PowerPoint slides, Conference Registration, etc.

Those presenting conference posters are eligible for the Poster Prize 2018 that will be awarded during the GL20 Closing Session. Posters will be judged on their innovative content, relevance to the conference, graphic design, and presentation.

This data forum and workshop is organized by GreyNet International (NL) and the National Library of Technology (CZ) in cooperation with the University of Lille (FR)

Data Papers: The Why and How

Program Outline, Instructors, and the Prospective Trainees

Welcome, Introduction
Ing. Martin Svoboda, Director NTK

Research Data Management and Data Papers: An Overview
Dr. Joachim Schöpfel, University of Lille (FR)

Data Papers – Grey Literature that implements FAIR Principles
Dr. Dominic Farace, GreyNet International (NL)

Closing Comments
Hana Vyčítalová, National Repository of Grey Literature (NRGL)

This program and training is geared to librarians, archivists, researchers, and other information professionals and practitioners involved in the creation and/or management of research data. The emphasis lies in raising awareness to data access and its potential reuse for science and society. Instructor presentations are delivered in a plenary setting and the participants will carry out exercises aided by the use of laptops and/or computers.

Workshop Timetable

13:00 Welcome, Introduction	15:10 GreyNet Use Case
13:15 Overview	16:30 Wrap-up, Take away
14:45 Break	17:00 Farewell

The National Library of Technology (NTK) is hosting its 11th Conference on Grey Literature and Repositories. Grey literature and related topics from the Czech Republic and abroad are presented at this event, which is of interest to librarians, digital collections administrators, IT professionals, executives, students, authors of scientific papers, and as well as other professionals. The conference will take place on October 24 in Balling Hall at NTK. This year will focus on classic grey literature and its storage, digital repositories, research data and popular legal issues. Simultaneous interpreting from Czech to English and refreshment will be provided.
